

ATTENTION REVERE RESIDENTS

In accordance with Massachusetts General Law Chapter 51, Section 4, the 2009 Annual City Census will be mailed in January to every household in the City of Revere. We will **not** be going door to door to obtain this information. The Board of Election Commissioners strongly urges all residents to review the form for accuracy and make changes as needed. Sign and date the form and return it in the envelope provided within (10) days of receipt. You must sign and return the form even if no changes are necessary. Census forms will not be sent to residents of nursing homes, or senior citizen housing. Instead the administrators of these facilities will be required to provide us with the necessary information.

Failure to respond to this mailing shall result in removal from the active voting list and may result in removal from the voter registration rolls.

If you do not receive your Census Form by Friday, January 23, 2009 please call the Election Department at (781) 286-8200.

For your convenience we have placed drop off boxes at the locations listed below so that the form can be returned postage free. If you return your form via the United States Postal Service you must place a stamp on the envelope.
